Installation Warranty:

All products installed by Bay Area Canvas are backed up by a **3-Year Warranty** against any premature hardware failure. All seams carry a three-year warranty, unless we did not use Tenara thread, which is our thread of choice.

Hardware Warranties:

- (Welded Frames) - **All welded frames** created by Bay Area Canvas are covered under a **10-Year Warranty**.
- (Solair & Somfy Products) - Solair & Somfy offer end-product suppliers a **5-year warranty on all parts (motors, controls, and frames)**. Specifically, Solair & Somfy warrant their motors and controls to be free from defects in material and workmanship under normal and proper use for a period of 5 years

Bay Area Canvas warrants these products to be free from defects in material and workmanship under normal and proper use for the specified period commencing on the date of installation.

A handwritten signature in blue ink, appearing to read "Chris Ferrante", is written over a horizontal line. To the right of the signature is a small "x" mark.

Please note: Fabric is only part of each entire order. If the manufacturer determines that your fabric failed prematurely, the warranty only covers the cost of the fabric--not labor and installation costs.
